Skills and Attributes

Coach Sprenkle states, "Callin stepped in as a leader of our defense as a sophomore. He learned multiple positions and did well at them all. He will only continue to get better the next two years."

Callin reads where the ball is going well and is the play caller for our defense. He brings all the skills and abilities coaches are looking for in a talented college prospect. He will make an excellent contribution to any Football program that values intelligence, talent, hard work and integrity.
